FOR

- COVID-19 Information
- Ways to Register for the vaccine
- How to access PPE

Q&A

Q: AM I ELIGIBLE FOR THE VACCINE?

A: YES! If you are an NBRC client who is 16 years or older, a direct service provider, or a family member living with a client with certain health conditions, you are eligible for the vaccine. Click [Here](#) for criteria for a family member.

Q: IS THE VACCINE SAFE FOR ME?

A: If you have concerns about the vaccine, please reach out to your primary care physician to answer your questions.

Q: WHAT IF I HAVE A HARD TIME WEARING A MASK?

A: If you have a hard time wearing a mask, a drive thru vaccination site may be the best option. Confirm with the site that they will allow you to receive the vaccine if you are not wearing a mask.

Q: WHAT IF I RECEIVED THE FIRST DOSE BUT MISSED OR WAS UNABLE TO SCHEDULE MY SECOND DOSE?

A: Email vaccine@nbrc.net for assistance scheduling your second dose. If you wait too long, you may have to receive your first dose again.

Q: HOW DO I REGISTER FOR THE VACCINE?

A: There are several ways to register for the vaccine. Below are some options available for NBRC clients or visit the NBRC [website](#) for the most current dates and vaccination sites for NBRC clients.

Q: HOW DO I GET A COPY OF THE LETTER FROM NBRC CONFIRMING MY ELIGIBILITY FOR THE VACCINE?

A: If you are an NBRC client and did not receive a copy of the letter sent by NBRC confirming your eligibility for the vaccine, reach out to your Service Coordinator or send an email to vaccine@nbrc.net with your name and mailing address, requesting a copy of the letter.

Vaccination Options for NBRC Clients

If you are interested and qualify for any of the vaccine options below, please contact your service coordinator or email vaccine@nbrc.net.

If vaccine appointments are not filled at the NBRC sites listed below, eligibility criteria will be expanded to fill the appointments.

Updated information will be posted on the NBRC [website](#)
