Name

Address

City, State, Zip

Phone (include area code)

Email

Pace Solano serves approximately 387 individuals with developmental disabilities at 7 program sites in Solano County. We are dedicated to improving the lives of the individuals that we serve.

Pace Solano provides a variety of training and educational services for adults with developmental disabilities residing in Solano County. Participants attending our day programs are taught vocational and community focused skills based on their individual dreams and aspirations.

We are here to assist.
